

Primary School Teacher

The King's School, Harpenden

Part-time & Full-time positions available
Start date: September 2022

The King's School is a warm and friendly environment, with small class sizes, offering you the opportunity to enjoy teaching and develop your skills, all in a beautiful, rural setting. We have a passionate staff team, who work together to create a learning space for our pupils that challenges and inspires, whilst providing outstanding pastoral care. As teachers in a Christian school, we are able to encourage our pupils in their journey of faith and model a relationship with Jesus that is real and relevant. It is this holistic approach – academic progress, character, faith – that makes our school such a special place to work in.

As a Primary Teacher, you will have the opportunity to work collaboratively as part of a skilled and experienced Primary staff team. There is one class per year group, with usually 8-16 pupils per class. Schemes of work are in place, and you will have the opportunity to help our team shape the Primary curriculum as you grow into the role, ensuring that our pupils have a broad and dynamic learning experience, preparing them well for the transition to Secondary at the end of Year 6. There is the scope for outdoor learning by making use of our lovely grounds.

The King's School has its own pay scale, with contributions to an employer's pension scheme and healthcare cover available to all staff. Further details, along with an application pack, including job description, are available from the school:
